PROFESSIONAL SUMMARY

Data Science fresher and Master of Computer Applications (MCA) graduate with a strong academic foundation, including a Gold Medal and First Rank in B.Com (Computer Applications). Skilled in Python, SQL, Power BI, and data wrangling, with hands-on project experience in building a real-time malicious email detection system. Combines strong analytical thinking with practical exposure from an accounting and taxation internship, and is well-positioned to contribute to data-driven decision-making in an entry-level Data Scientist role.

CAREER OBJECTIVE

Seeking an entry-level Data Scientist role where I can apply my skills in Python, SQL, and Power BI to analyze data, uncover meaningful insights, and support data-driven decision-making, while continuing to grow as a data science professional.

SKILLS

- Programming & Querying: Python, SQL
- Data Analysis: Pandas, NumPy
- Data Visualization: Matplotlib, Seaborn, Power BI
- Machine Learning & NLP: Scikit-learn, Label Encoding, Text Vectorization, Cosine Similarity, RoBERTa
- Data Handling: Data Inspection and Wrangling
- Web: HTML
- Tools: Google Colab, VS Code, Jupyter Notebook, Microsoft Office Suite (Word, Excel, PowerPoint)

ACADEMIC PROJECT

EmailDefender: Real-Time Detection of Malicious Emails for Organizational and Personal Communication Security

- Built a system to identify and flag malicious and phishing emails in real time, aimed at strengthening communication security for both organizations and individuals.
- Applied Python for data inspection, cleaning, and analysis to support accurate detection of suspicious email patterns.

INTERNSHIP

Accounting and Tax Consultant Intern

- Assisted with day-to-day accounting entries and basic tax computation and filing support under the guidance of senior consultants.
- Gained practical exposure to financial record-keeping, compliance documentation, and client coordination.

EDUCATION

Master of Computer Applications (MCA) | 2026

Vels University, Chennai

B.Com (Computer Applications) | 2024

Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women, Chennai

Higher Secondary Certificate (HSC) | 2021

Shri Venkateshwara Higher Secondary School

Secondary School Leaving Certificate (SSLC) | 2019

Shri Venkateshwara Higher Secondary School

CERTIFICATIONS & ACHIEVEMENTS

- Gold Medalist and First Rank Certificate — B.Com (Computer Applications), Shrimathi Devkunvar Nanalal Bhatt Vaishnav College for Women
- General Proficiency Certificate (2020) — awarded for outstanding academic performance during HSC
- Cloud Computing — NPTEL
- HTML Certification — Gained practical skills in structuring and designing web pages using semantic HTML.

SOFT SKILLS

- Analytical Thinking
- Problem Solving
- Communication
- Teamwork

- Time Management
